

# SMOKE & MIRRORS

*Spring celebrates beginnings. The potential and blossoming of life, with the peak of season being “ohanami” – the springtime celebration of flowering Sakura trees.*

*Roku Gin is crafted with Sakura flowers, resulting in a delicate floral aroma. Have a perfect Spring experience this year with these Roku Spring Cocktails from Smoke & Mirrors.*

*“To me, Spring heralds new beginnings and happiness. It is a celebration of life, colours, scents and is a season we should all find joy in.”*

*- Mel Chavez,  
Assistant Bar Manager*
